The Radius Connect 24 service

Peace of mind is knowing that someone is always there to help you or a loved one. Radius Connect 24's personal alarm service provides support to anyone of any age who is concerned about personal well-being or home safety, or who may feel anxious about managing on their own. Our service is designed to support a range of people of any age.

A personal alarm can help if you:

- live alone and are at risk of falling or need reassurance.
- are living with dementia, epilepsy, heart disease, have a disability or long-term condition.
- have returned from hospital or have a short-term condition.
- are at risk and worried about your safety or security.
